

COMMUNITY MEETING

CITY OF LOMITA PROJECT No. 5806-350

**CRENSHAW BLVD/LOMITA BLVD INTERSECTION AND LOMITA BLVD
STREET IMPROVEMENT PROJECT**

NOTICE OF PUBLIC MEETING FOR ROAD CONSTRUCTION

Dear Resident/Business Owner:

The City of Lomita will be holding a public meeting regarding the upcoming Crenshaw Blvd & Lomita Blvd Intersection Improvement Project. The purpose of this meeting is to brief any interested parties on the project, inform you of the construction schedule and receive feedback from the community.

This meeting has been scheduled for:

Monday, July 29, 2013 at 7:00 p.m. at the Lomita City Hall in the Commission Room.

The Cities of Lomita and Torrance have retained All American Asphalt Company to resurface Lomita Blvd. from Crenshaw Blvd. to Narbonne Ave., and Crenshaw Blvd to the North and South of Lomita Blvd. intersection. This project entails construction of new pavement, minor concrete, traffic signal modification, and striping.

Starting on August 5, 2013, the contractor, All American Asphalt, will be working from 8:00 am to 4:00 pm Monday through Friday. Weekend work will occur as part of this project, however, separate notice will be provided for the affected weekend once the work is scheduled. It is anticipated that all work will be completed by late September, 2013.

Although inconveniences are associated with public works projects, it is our goal to complete this work in the most expeditious manner and with minimum inconvenience to residents and businesses. Access will be maintained to your property at all times during construction. Your cooperation in observing all traffic control, parking restrictions and flagmen is greatly appreciated.

Should you have any questions during this construction project, please contact:

All American Asphalt 24 hours emergency telephone number	(951) 453-8797
Chuck Piper, All American Asphalt (Contractor)	(951) 736-7600.
David Sloan, Onward Engineering Construction Manager	(714) 533-3050
Tom Shahbazi, City of Lomita Project Manager	(310) 325-7110 ext. 210
Jeff Kidd, City of Torrance, Project Manager	(310) 618-3059

Your patience is appreciated as we make these improvements.
